Steven Feldman, MD, PhD is a Professor of Dermatology, Pathology & Public Health Sciences at the Wake Forest University School of Medicine and Chief Science Officer of Causa Research, a company that provides adherence improving services to industry. His research studies into patients' adherence to topical treatments transformed how physicians understand and manipulate patients' use of treatment for chronic skin diseases. Dr. Feldman was the founder of www.DrScore.com, an online doctor rating/patient feedback website. Feldman has authored over 800 peer reviewed medical articles. Dr. Feldman has been a regular columnist for PM360 (the magazine for pharmaceutical marketers) and Consultant360 (the online journal for primary care providers) on adherence, and he is author of the books *Compartments and Practical Ways to Improve Patients' Treatment Outcomes*.

Target Audience: The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

Statement of Purpose: The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

Accreditation statement: The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

Designation statement: The UC Irvine School of Medicine designates this live activity for a maximum of 3 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
